Need 1 More Ambassador

PREVIEW 2017

Are you interested in pursuing medical school?

The University of Nevada, Reno School of Medicine's Preview 2017 is designed for undergraduate students considering a career in medicine. Join us to learn more about the School of Medicine.

- Learn about the admissions process from members of the admissions committee, including what
 to do after you've applied to medical school.
- · Talk with current UNR Med students about life and learning, both on campus and in the community.
- . Meet our faculty to find out how their academic and career choices led them to UNR Med.
- Gather information about financial aid, clinical experience opportunities, student pre-health organizations, and more.

Nevada Cancer Control Summit

Monday, November 6, 2017 Whitney Peak Hotel, Reno, Nevada

Hosted by Nevada Cancer Coalition, the Nevada Cancer Control Summit is a statewide conference featuring session on targeted topics across the cancer spectrum. The Summit brings together physicians, nurses, advocates, survivors, administrators, and more to share cutting-edge information, update practitioners on the latest topics in cancer care, and strengthen the coalition to further cancer control efforts in Nevada.

The Summit offers continuing education credits for physicians, nurses, cancer registry professionals, and oftentimes credits for other specialty areas. Click the CME/CE tab for updated credit information.
